ASSIGNMENT

For valuable consideration, the receipt and adequacy of which is hereby acknowledged, and in fulfillment of our pre-existing obligation of assignment, we,

1. Carleen Elaine MATUSKA, 1728 Pine Mountain Road, Charlotte, North Carolina, USA

respectively, sell and assign to **General Electric Company, a New York Corporation**, located at **1 River Road, Schenectady, New York 12345 USA**, its successors and assigns the entire right, title and interest in and to the improvements "**COMPREHENSIVE SYSTEM AND METHOD FOR FACILITATING COMMUNICATION BETWEEN A SUPPLIER AND A RETAILER**" (GE Docket No. 122642-1, Attorney Docket No. 41980.001065) invented by us, as described in the application for United States patent filed January 30, 2002, and any and all applications for patent and patents therefor in any and all countries, including all divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said United States application, and authorize and request any official whose duty it is to issue patents, to issue any patent on said improvements or resulting therefrom to said General Electric Company, or its successors or assigns and agree that on request and without further consideration, but at the expense of said Company, we will communicate to said Company or its representatives or nominees any facts known to us respecting said improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said Company, its successors, assigns, and nominees to obtain and enforce proper patent protection for said improvements in all countries.

The aforementioned Assignors listed above hereby declare that all statements made herein of our own knowledge are true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Each Inventor signature must have two (2) witnesses. A witness cannot be a co-inventor on the same application.
